RUBE WADDELL'S CROWN TRANSFERRED TO JOSS

ADDIE JOSS.
(The Juneau Slat.)

What Joe McGinnity was to the National League last season and Jack Chesbro to the American League, Addie Joss, of the Napoleons, promises to be this year. To date, the schoolmaster has pitched eleven games, winning ten, and his string

of victories places him head and shoulders above the other pitchers in the American League.

When Joss returned from the training trip last spring, he announced he would pitch the game of his life. That he knew what he was talking about has been proven. His recent victory over the phenomenal left-hander, "Rube" Waddell was the crowning victory of a great string of games won.

The game between the Athletics and Napoleons in Philadelphia was a pitcher's battle in which Joss, although he was hit for nine safeties, had the better of it. "Rube" passed six men to first and Joss did not make a slip. But for an error by Jackson in the first inning, the Athletics would have been shut out.

Ever since the season opened, Joss has shown whirlwind speed. His control has always been his forte, and combined with a noodle that outguesses the batters, the ability to field his position better than any pitcher in the league, his speed has made him invulnerable up to this time.

When Joss broke into fast company three years ago, he was regarded as a wonder, but during 1903 and 1904 his work was mediocre, owing to malaria, which followed him persistently. Perfect physical condition, loyal to La Jole, whom he considers the greatest of managers, and a desire to give the club owners adequate return for the money invested in him, have helped Joss in his wonderful pitching this season.

Mining Operations at Hillsboro.
The Black Peak Mining company of Hillsboro, N. M., has recommenced operations on a large scale. Extensive development work is planned and will be carried out very shortly. Large bodies of pay ore are already blocked out and the company has recently purchased from H. L. Roper, Lake Valley, N. M., who represents Fairbanks, Morse & Co., of Denver, a complete ten stamp mill with gasoline power and a gasoline hoist, manufactured by the same company. Hon. W. W. Williams of Hillsboro is manager of this company and some very successful results may be expected under his control.

Ballard's Horehound Syrup.
Immediately relieves hoarse, croupy cough, oppressed, rattling, rasping and difficult breathing. Henry C. Roper, druggist, Hillsboro, Wis., writes, May 20, 1901: "I have been selling Ballard's Horehound Syrup for two years, and have never had a preparation that has given better satisfaction. I notice that when I sell a bottle they come back for more. I can honestly recommend it." 25c. 50c. and \$1.00. Sold by J. H. O'Reilly & Co.

SOLVED THE PROBLEM.
A crafty old farmer named Glenn, Of harvest hands, needed 'bout ten. He got from the city,
A cook who was pretty;
He easily hired men then.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength giving qualities. Sold by all druggists.

Rev. George J. Julliard, of Gallup, N. M., says: "The Chickering Bros' piano which I purchased from you five years ago is just as good as new. It stands the climate and stays in tune. The tone is as good or better than when I purchased it." See one before you buy. Leonard & Lindemann, New Mexico's Largest Music Dealers, sell them.

One Dollar Saved Represents Ten Dollars Earned.
The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. This being the case, he cannot be too careful about unnecessary expenses. Very often a few cents properly invested like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Cough, Cholera, and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all dealers.

When you want a pleasant laxative that is easy to take and certain to act, use Chamberlain's Stomach and Liver Tablets. For sale by all dealers.
